STEP IX

“Made direct amends to such people wherever possible, except when to do so would injure them or others.”

“Now we need more action, without which we find that “Faith without works is dead.” Let’s look at *Steps Eight and Nine*. We have a list of all persons we have harmed and to whom we are willing to make amends. We made it when we took inventory. We subjected ourselves to a drastic self-appraisal. Now we go out to our fellows and repair the damage done in the past. We attempt to sweep away the debris which has accumulated out of our effort to live on self-will and run the show ourselves. If we haven’t the will to do this, we ask until it comes. Remember it was agreed at the beginning *we would go to any lengths for victory over alcohol.*”

TRADITION IX

“A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.”

“It is clear now that we ought never to name boards to govern us, but it is equally clear that we shall always need to authorize workers to serve us. It is the difference between the spirit of vested authority and the spirit of service, two concepts which are sometimes poles apart. It is in this spirit of service that we elect the A.A. group's informal rotating committee, the intergroup association for the area, and the General Service Conferences of Alcoholics Anonymous for A.A. as a whole. Even our Foundation, once an independent board, is today directly accountable to our Fellowship. Its trustees are the caretakers and expeditors of our world services.”

Used with permission, AAWS Inc. 12x12 pg. 174-175

CONCEPT IX

“Good service leaders, together with sound and appropriate methods of choosing them, are at all levels indispensable for our future functioning and safety. The primary world service leadership once exercised by the founders of A.A. must necessarily be assumed by the Trustees of the General Service Board of Alcoholics Anonymous.”
