## STEP IV

**“Made a searching and fearless moral inventory of ourselves.”**

“Next, we launched out on a course of vigorous action, the first step of which is a personal housecleaning, which many of us had never attempted. Though our decision was a vital and crucial step, it could have little permanent effect unless at once followed by a strenuous effort to face, and to be rid of, the things in ourselves which had been blocking us. Our liquor was but a symptom. So, we had to get down to causes and conditions. Therefore, we started upon a personal inventory. This was Step Four. A business which takes no regular inventory usually goes broke. Taking a commercial inventory is a fact-finding and a fact-facing process. It is an effort to discover the truth about the stock-in-trade. One object is to disclose damaged or unsalable goods, to get rid of them promptly and without regret. If the owner of the business is to be successful, he cannot fool himself about values.”

## TRADITION IV

**“Each group should be autonomous except in matters affecting other groups or A.A. as a whole.”**

AUTONOMY is a ten-dollar word. But in relation to us, it means very simply that every A.A. group can manage its affairs exactly as it pleases, except when A.A. as a whole is threatened. Comes now the same question raised in Tradition One. Isn't such liberty foolishly dangerous? Over the years, every conceivable deviation from our Twelve Steps and Traditions has been tried. That was sure to be, since we are so largely a band of ego-driven individualists. Children of chaos, we have defiantly played with every brand of fire, only to emerge unharmed and, we think, wiser. These very deviations created a vast process of trial and error which, under the grace of God, has brought us to where we stand today.

## CONCEPT IV

**“Throughout our Conference structure, we ought to maintain at all responsible levels a traditional “Right of Participation,” taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.”**

## AA Grapevine Jokes of the Month

### **CRASH LANDING**

**SPONSEE:** *"I think I've been catapulted into the fourth dimension."*

**SPONSOR:** *"No, you've just had too much coffee."*

~~~~~

*"I was so sick when I was new, at one point I asked another guy in my home group if I could copy his Fourth Step."*

~~~~~

**Q:** *How can you tell when two alcoholics are on their second date?*

**A:** *There's a moving van parked in one of their driveways.*

~~~~~

**Q:** *How many sponsors does it take to change a lightbulb?*

**A:** *Sponsors can't change lightbulbs. The most they can do is offer guidance based on their experience strength and hope. If the lightbulb wants to change and is willing to go to any lengths, then a Higher Power can change the lightbulb.*

~~~~~

*A newcomer was sitting in the back of the room before the meeting began leafing frantically through the pages of the Big Book. An old-timer noticed her activity and asked, "What are you looking for?" "Loopholes," the newcomer replied.*

~~~~~

*I just loved the idea of joining Alcoholics Anonymous. I thought the "Alcoholics" part meant they drank, and the "Anonymous" part meant that they didn't tell anyone about it.*
